NOTE: Median age represents the midpoint in the age distribution such that half of workers are younger and half are older. Updated population controls are introduced annually with the release of January data. Effective with January 2020 data, industries reflect the introduction of the 2017 Census industry classification system, derived from the 2017 North American Industry Classification System (NAICS). No historical data have been revised. Data for 2020 are not strictly comparable with earlier years. Dash indicates no data or data that do not meet publication criteria (values not shown where base is less than 50,000).
