¹ North American Industry Classification System – United States, 2002

² Excludes farms with fewer than 11 employees.

Note: Because of rounding, data exclusion of nonclassifiable responses, omission of questionnaire response, and questions where more than one response is allowed, data do not

sum to the totals. Dashes indicate data that do not meet publication guidelines. Omitted size classes had no publishable data. A measure of sampling variability for each estimate is available upon request.
